

XTi REST

OPTIMIZE YOUR SLEEP AND RECOVERY

-  Recover quicker
-  Improve overall well-being
-  Achieve more quality rest
-  Elevate daytime performance

SAFE, NON-INVASIVE AND DRUG-FREE

Every athlete deserves the best in enhancing performance and recovery. Recognizing the importance of sleep and endurance, we offer specialized strategies and tools tailored for your needs.

At the heart of our approach is the revolutionary pulsed alternating wavelength technology, a game-changer in elite sports and performance training, backed by 65 patents with more than 10 years of science-backed research and development. This innovation isn't just a step forward in technology; it's a leap in sports science, redefining athlete development and performance enhancement.

We Solve Your Most Critical Problems

**ACHIEVE MORE,
FEEL BETTER.**
